Dear Cheryl,

On behalf of the Steering Committee of the [Online International Virtual Assistants Convention](#), I want to thank you for your support this year and the part you played in helping to make the 5th Anniversary of the [OIVAC](#) (May 20-22, 2010) the best year ever!

The reports are rolling in and without a doubt the stellar array of experts like you, the topics, and the tools and training technology to match grabbed hold of and captivated our attendees. Specifically, your presentation on *Marketing Your VA Services to Authors* will contribute to our delegates' business, marketing and technology arsenal.

Your participation contributed significantly to making OIVAC 2010 one our most successful conventions.

The Steering Committee and I appreciate your involvement and look forward to staying connected with you in the coming months.

Best regards,

Sharon Williams
OIVAC Steering Committee Chair
